THINK
SMART

Be KIND

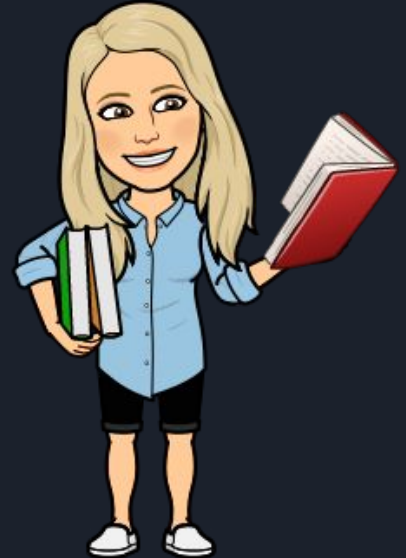

LOADING

- Show patience and understanding with those having technology issues.
- Work together to solve problems.
- Be kind to others when writing comments.
- Think before you post: what is posted online stays online.

Be RESPONSIBLE

- Set an alarm and come to Zoom meetings on time.
- Keep track of your assignments in Google Classroom.
- Be an active listener during Zoom lessons.
- Follow directions on assignments.
- Submit work on time.
- Double-check your work.

Be RESPECTFUL

- Keep your microphone on mute when others are speaking.
- Be sitting up in a quiet place.
- Use the “Raise Hand” button while your teacher is speaking.
- Be supportive and friendly to your classmates and teachers.
- Keep other devices (cell phones/video games) off during Zoom lessons.

Be PATIENT

- Be patient with your own technical issues and others in the class.
- Be a problem solver: Shut down your computer and log back in if something isn't working.
- It's okay if it doesn't work the first time - ask for help and don't give up. We can do hard things!
